ICD-10 CM Diagnosis Description	ICD-10 CM Code

Describe any special circumstances which should be considered when authorizing services:

Clinical Information: **Clinical Information MUST be included with Request including eval and clinical notes from referring facility**

This request will be treated as per the standard organization determination timeframes. If the request needs to be treated as expedited, clinical justification must be provided that applying the standard time for making a determination could seriously jeopardize the life or health of the member or the member's ability to regain maximum function:

Authorization does not guarantee or confirm benefits will be paid. Payment of claims is subject to eligibility, contractual limitation, provisions and exclusions.
