About the Benefit

- As a Care N' Care member, you can get **\$40–\$60 worth of healthcare products every quarter** depending on your coverage. Please refer to your Evidence of Coverage for plan benefit details.
- Allow 7 to 10 business days for your product(s) to arrive.
- Orders will be applied to the quarter in which the order was placed.
- Any unused benefit expires at the end of the quarter and cannot be carried over to the next quarter.
- This benefit is limited to products purchased for use by the enrolled member only.
- You may order additional products over your quarterly allowance and pay with a credit card.
- Due to the personal nature of these products, returns are not accepted. However, if you receive a damaged item, please call OTC Benefit Services within 30 days.
- Product availability and pricing may vary throughout the year. For most up to date product selection, please visit **athome.medline.com/cnc**.
- The portal is a convenient way to track orders, view previous orders, view entire portfolio of products and monitor your benefit balance.

Items marked with ** are dual purpose.

Dual-purpose items are medicines and products that can be used for either a medical condition or for general health and well-being. In order to purchase these items under the plan, your personal physician or healthcare provider must recommend them to you for a specific diagnosed condition. Please speak to your physician or healthcare provider before ordering these items.

Incontinence

Select the Size

Selecting the right size is critical for containment.

Bladder Control Pads and Liner Sizing

One size fits all. Continue to Step 3.

Briefs, Protective Underwear and Knit Pant Sizing

For briefs, underwear and pants, measure the hips or waist (select the larger of the two) as follows:

Step 1

Measure the largest area from hip bone to hip bone and over the abdomen (see illustration above).

Example:

Hip bone to hip bone =
19 inches (48.3 cm)

Step 2

Double the measurement in Step 1 and add two inches.

Example:

19 inches (48.3 cm) x 2 = 38 inches (96.5 cm)

38 inches (96.5 cm) + 2 inches (5 cm) = 40 inches (102 cm)

Step 3

Using this number, select the product size from the chart below.

Example:

40 inches (102 cm) = Medium or Regular brief

Brief Size Selection

Small = 20–33" (51–81 cm)

Medium = 32–42" (81–107 cm)

Regular = 40–50" (102–127 cm)

Large = 48–58" (122–147 cm)

X-Large = 57–66" (150–168 cm)

XX-Large = 60–69" (152–175 cm)

Bariatric = 65–90" (165–229 cm)

Protective Underwear Size Selection

Small = 20–28" (51–71 cm)

Medium = 28–40" (71–102 cm)

Large = 40–56" (102–142 cm)

X-Large = 56–68" (142–173 cm)

XX-Large = 68–80" (173–203 cm)
